EXPLANATION

1 The inclusion of this explanation does not constitute agreement with
2 the explanation's substance by the members of the general assembly.

3 This bill relates to the disaster aid individual assistance
4 grant fund and program and the disaster case advocacy grant
5 fund and program.

6 A disaster aid individual assistance grant fund exists
7 in the state treasury to meet disaster-related expenses or
8 serious needs of individuals or families adversely affected
9 by a disaster. Current law provides that the department of
10 homeland security and emergency management (department) shall
11 administer the grant funds and shall adopt rules to create the
12 Iowa disaster aid individual assistance grant program.

13 The bill authorizes the department to implement an ongoing
14 contract with a local administrative entity for the grant
15 program so that the program can be implemented with minimal
16 delay when a disaster occurs in a local area.

17 Current law limits the grant amount for a household to
18 \$5,000. The bill increases the grant limit per household to
19 \$7,000.

20 A disaster case advocacy grant fund exists in the state to
21 meet disaster-related case advocacy needs of disaster-affected
22 individuals. Current law requires the department to administer
23 disaster case advocacy grants and establish a disaster case
24 advocacy program. Under the program, the department shall
25 coordinate case advocacy services locally through one or more
26 contracted entities.

27 The bill authorizes the department to implement an ongoing
28 contract with a local administrative entity for the grant
29 program to allow implementation of the program with minimal
30 delay following a governor's proclamation of a state of
31 disaster emergency or a declaration of a major disaster by the
32 president of the United States.

33 The bill defines "local administrative entity" as a
34 countywide provider, or a provider of a statewide program
35 with local offices throughout the state, contracted for the

S.F. 2193

1 administration of the disaster aid individual assistance grant
2 program and the disaster case advocacy program.
